

7 in 7: UNITED FOR LIFE

By arShaan

Concept:

To make annoying fans of the big three shut up when they keep talking about their soccer club.

Concept:

To make annoying fans of the big three shut up when they keep talking about their soccer club.

Execution Method:

Cards the size of a normal businness card as it is easy to carry around.

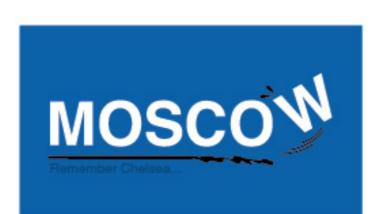

Concept:

Given the amount of abuse they have suffered this season, it's about time someone started a group called Arsenal Anonymous, where people who have been persistently abused by the club they love can meet and share their burden in the company of like-minded individuals. I can just see it now: "My name is John and I'm an Arsenalaholic. I too believe it is all the referee's fault..."

Concept:

I can just see it now: "My name is John and I'm an Arsenalaholic. I too believe it is all the referee's fault..."

Execution Method:

Stickers based on 'hello! my name is' tags so that arsenal fans can identify each other.

Concept:

When United are humiliating your friends team, what better way to be supportive than to hand your friend a tissue so he can cry in to it.

Concept:

When United are humiliating your friends team, what better way to be supportive than to hand your friend a tissue so he can cry in to it.

Execution Method:

A small tissue box package that is shaped like a shoe to add to the feel of soccer.

Concept:

He might have left United but I still think that C. Ronaldo was one of the best players to wear the United jersey. I wanted to design something that would show how much I appreciated his time at United.

Concept:

He might have left United but I still think that C. Ronaldo was one of the best players to wear the United jersey. I wanted to design something that would show how much I appreciated his time at United.

Execution Method:

A poster in which I would draw Ronaldo using pencils, color pencils and photoshop.

Concept:

In 2011 United won their 19th English League title making them the most successful team in the league. There might be a lot of United fans out there but not many people know when and how the trophies were won.

Concept:

In 2011 United won their 19th English League title making them the most successful team in the league. There might be a lot of United fans out there but not many people know when and how the trophies were won.

Execution Method:

An interactive flash piece that gives a little bit of information to the user about each title won.

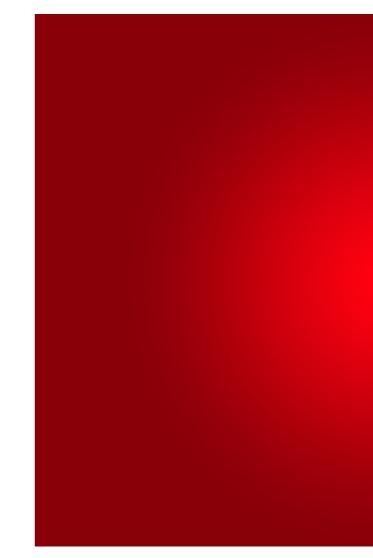

Concept:

By this time I knew that I wanted to make a website as my last project. I felt a short animation was missing regarding United and showing their domination.

Concept:

By this time I knew that I wanted to make a website as my last project. I felt a short animation was missing regarding United and showing their domination.

Execution Method:

A short flash animation based on ad banners showing up on websites.
